

đồ chay

DO CHAY IS COMMITTED TO THE HEALTH AND SAFETY OF OUR TEAM, GUESTS, AND COMMUNITY.

We are following government guidelines to keep everyone safe and will continue to closely monitor industry-leading health and safety recommendations. We apologize in advance for any inconvenience our updated safety measures may cause and appreciate your cooperation.

Please read on for more about what we're doing:

GUEST PROTOCOL:

- Everyone is asked to refrain from entering the restaurant if they are showing signs of COVID-19.
- Please maintain a physical distance of 6 feet between yourself and other parties.
- To maintain physical distancing, each party will have a spare table from which we will be serving you. If you would like a plate cleared or anything refilled, please place it on the spare table.
- If you would like anything packed up at the end of the meal, we will be providing take-out containers and bags for you to use.

RESERVATIONS:

- We are now requiring reservations at lunch and dinner to eliminate wait times and ensure a safe capacity. All reservations should be made through our website (dochay.ca).
- Due to our decreased capacity, we are currently only able to accommodate parties of 1 to 4 people.
- Seatings are 90 minutes long.
- Please arrive on time to your reservation as we may not be able to seat late parties

PREVENTION & CLEANING:

- Our entire restaurant is professionally cleaned on a nightly basis in addition to our cleaning and sanitizing measures carried out throughout the day
- We are using an industrial grade sanitizer appropriate for food surfaces.
- Tables are spaced 2 meters apart in all directions
- All tables, chairs, menus, and credit card machines are disinfected thoroughly between uses
- Guest washrooms and other high traffic areas are monitored and sanitized throughout the day
- Our staff have committed to ongoing health check declarations indicating that they are symptom free
- Our servers will be wearing personal protective equipment to maintain a physical barrier between ourselves and our guests.

For more information regarding our health and safety measures, or anything else, please contact us at dochay@housespecial.ca.

Can't wait to see you again!
